MAKE IT TAKE IT TABLES

Each MiTi Table is \$125.00

Quantity of tables purchased

MiTi Table Hours will be Friday 9:00am - 6:00pm, Saturday 9:00am - 4:00pm

We require that Make It Take It mini classes are not advertised until after March 1st, 2027 to allow for our Scheduled class registration to close. After March 1st, Advertisement is encouraged, but there is to be NO pre-registration or pre-sale of MiTi classes.

In an effort to create more traffic for the Trade Floor, the more mini classes shown on social media will spark interest and allow those local and some non local painters to come to try and get a spot at your table. If your table is known to be full, they may not bother. This would potentially take the opportunity for sales from all vendors as well as other MiTi instructors.
